Session 21: Projections Are a Reality

Summary: The Friends help us to learn a new thought system. Release old understanding and learn a thought system where the power of thought and influences through projection are a predominate reality. What is the difference between a verbal thought form and the emotional thought form? The bulk of the secession is a summary and review of the relationships between the emotional, physical and mental body.

Extended Summary: Release old understanding and learn a thought system where the power of thought and influences through projection are a predominant reality.
